PROVIDED BY THE PROMOTER

- **PA system** with enough power for the venue, tuned for the room.
  Subwoofers are required. Sound quality must be even across the whole audience area.
- Please send the house PA details to our sound engineer in advance.
- **Cat5 cable** (Cat6 or Cat7 also fine) from stage to the FOH position.
- **Power** on stage and at FOH.
- **Stage** of at least 8 × 4 m.
- **2 tall microphone stands.**
- Small table on stage for water bottles.
- **Lighting** suited to the venue.
  Front light on the ensemble is the minimum requirement.

PROVIDED BY THE ARTIST

- **Mixing console**
- **6 × Sennheiser ew 500-965 G3** wireless vocal microphone systems
- **6 × Sennheiser ew 300 IEM G3** in-ear monitor systems (or Sennheiser 2000 series)

SOUNDCHECK

> Please allow **at least 1.5 hours** for soundcheck. The venue needs to be quiet during this time: no other activities and no unnecessary noise in the room.

FULL PRODUCTION OPTION

For selected concerts, Estonian Voices can travel with their own backline, stage equipment, Cat5 multicore and mixing console. In that case the promoter only needs to provide PA and lighting.

Every concert is different. Please agree all details with our manager and sound engineer before the show.
